Catalogue by LYMAN H. LOW.

AT THE COLLECTORS' CLUB,
351 FOURTH AVENUE, NEW YORK CITY.

BY reason of the increased frequency of errors on the part of patrons of my sales, I feel the necessity of calling the attention of those sending bids, to carefully read the instructions on title-leaf. Revise your lot numbers carefully, and the price as well, to be sure you are making the offer you desire and against the particular lot wanted. Do not make a lump sum offer for a lot, — they are always sold entire, — but the bid must be by the piece, excepting in the case of U. S. Proof Sets. There are no other exceptions unless definitely so stated in the catalogue.

Make no corrections or alterations of figures, draw your pen through all errors and make a new entry. Do not use a lead pencil; such marks become indistinct by handling. Avoid making small figures.

My next sale will take place in June.

It is the very important collection of the late

JOHN HURD COMSTOCK,

Of Green Bay, Wis.

He was personally in attendance and a buyer at the celebrated Mickley sale in 1867; he remained active in the field until his death in 1901.

TO BID UNDERSTANDINGLY, THIS MUST BE READ CAREFULLY

Coins and medals are sold at so much per piece, U. S. proof sets excepted. You cannot bid for *one piece* in a lot. If a lot contains ten pieces, and you desire to offer \$2 for it, make your bid 20c. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. is the limit, up to \$10, and thereafter not less than 25c. Hence any bid up to 50c. can be entertained, but after that the bid must be 55c., 60c., and so on. Such offers as 53c., \$1.01, and all intermediate figures are unavailable.

My terms for buying are 10%, and I make no charge less than 25 cents.

 Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25% of their bids, otherwise they will not be accepted.
